A bold new beginning

TOYOTA

Oh what a feeling!

There's a spirit that runs through Toyota. It's a feeling of achievement. It pushes us. Inspires us.

— It's what saw us mass produce the first dedicated hydrogen fuel cell vehicle, the Mirai, and what will see us define the very future of movement. Our Japanese founders called it 'Kaizen,' but we simply call it 'continuous improvement.' A relentlessness to always move forward, never settle for good enough.

And here's the exciting part, this feeling of achievement is yours to experience. Life changing moments, just waiting to be told. Whether it's the thrill of experiencing the latest in technology, venturing somewhere completely new or simply spending more time with your family. That sense of achievement, whatever form it comes in, will be a feeling you never forget.

This is a journey for which we don't know the destination, but looking back at how far we've come, it's safe to say tomorrow looks exciting beyond imagination.

“

We are a group of passionate perfectionists who can't let well enough alone...

That's Toyota.

That's the spirit.

*And that's our contribution to the world.
We will be the best we can.*

*And we will help as many as
we can to be the best they can...*

— Eiji Toyoda

Stylish and sophisticated Corolla Sedan

The aerodynamic lines of Corolla Sedan elegantly express all of its refinement and attention to detail. More than just dynamic on the road, it's a fresh dimension of style that delivers a strong, self-assured presence of modern prestige.

The raised engine hood and deeply sculptured bumper corners on Corolla Sedan create a strong 3-dimensional appearance. The wide grille combines with the headlamps and trapezoid bumper structure to express movement while always presenting a strong, solid stance on the road. On the ZR, the bi-LED headlamps will light the way on the darkest nights.

The spacious Corolla Sedan

The Corolla Sedan interior features all the creature comforts you'd expect in such a sophisticated and stylish four-door sedan.

When driving on the open road you'll appreciate the convenience of cruise control. Upon reaching your destination, rear parking sensors and reversing camera with fixed guidelines will help you park with minimum fuss.

Then when it's time to load up with luggage and personal items, Corolla Sedan provides you with a generous and versatile 470L boot capacity.

On Sedan ZR, you'll feel comforted by the luxury of automatic climate control air conditioning, stunning black leather accented trim throughout, including a versatile console box storage.

Smart thinking

The 4.2" Multi Information Display (MID) shows a selection of essential trip, vehicle and audio detail right where you need it, and the 7" colour touchscreen display has Bluetooth,^{®1} AUX and USB connectivity⁸ to keep you entertained on every journey. Steering wheel controls for the MID, telephone and audio offer extra convenience.

On the Sedan SX and ZR, smart entry and smart start allow you to hop in and go with your keys in your pocket, and satellite navigation⁴ with SUNA™,⁵ traffic channel helps to ensure effortless travel.

In Sedan ZR, you'll also have the one-touch steering wheel sequential shift paddles to bring the 7-speed Continuously Variable Transmission (CVT) to life.

Safety by design

You'll drive with confidence knowing every Corolla Sedan is equipped with advanced safety features and awarded a maximum 5-star ANCAP safety rating (awarded in 2014).

There are 7 SRS airbags to help protect the driver and passengers, while Anti-lock Braking System (ABS) helps prevent wheel lock-up and skidding, and Vehicle Stability Control (VSC) counteracts any over steer or under steer when cornering. Traction Control (TRC) automatically controls engine output or applies the brakes to any wheel that's skidding on slippery surfaces or where there's variable grip. Emergency Brake Signal (EBS) alerts trailing vehicles if you're forced to make a sudden stop.

On Sedan ZR you'll have the added benefits of a number of Toyota Safety Sense⁷ (TSS) technologies: Lane Departure Alert, Pre-Collision Safety system and Automatic High Beam – optional on other Sedan grades.
